Our school strategies are showing substantial progress toward our targets

After reviewing our *Great Results Guarantee* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Implement a "whole school approach", including teacher professional development, for five weekly data analysis to provide explicit, targeted teaching and intervention in response to the data in the areas of Reading, Writing, Spelling, Grammar and Punctuation and Numeracy.
- Targeted teaching for identified students will include First Steps in Reading, SCORE and collaborative inquiry for Numeracy and Writing.
- Implement Individual Learning Guarantees for all students at risk of not meeting National Minimum Standard.
- Support Teacher (Literacy and Numeracy) targeting students in upper two bands for reading using SCORE and Question Answer Response strategies
